To Whom it May Concern

### Czech Aircraft Works engine/oil preheat system authorization

Sport Aircraft Works LLC authorizes installation of the following equipment on all SportCruisers with Rotax 912 engines.

- **Any type of engine/oil preheat system with external power supply**

All equipment will be installed in accordance with the manufacturer's written instructions and diagrams. Such diagrams and instructions must be kept permanently with the owner's Aircraft's Maintenance Manual.

Affidavit of ASTM Compliance:

I certify that the installation of the above equipment will not alter the applicable ASTM design and performance of this aircraft.
